## BUSINESS CLUB

2015/2016 has been a big year for Edinburgh Rugby. The team retained the 1872 Scottish Cup for the 2nd year, beating Glasgow Warriors twice on home turf. New Managing Director, Jonny Petrie, joined the club alongside over 20 new and re-signed players – the majority of which are eligible to play for Scotland or are current Scotland Internationalists. This season also saw the return of former Edinburgh Rugby player Duncan Hodge who has taken on the role of the club's Backs Coach.

2016/2017 looks to be an exciting year as Edinburgh kick off in the Guinness Pro12 and European Challenge Cup at BT Murrayfield before moving to our new home at Myreside from January. Make sure you get your front row seat with our corporate membership.

The partnership with George Watson's College is a fantastic opportunity for Edinburgh Rugby to enhance the match day experience and atmosphere for all fans. After discussing the move with the school, we will be playing fixtures from January to May 2017 as a trial. On the success of this, there is the intention to play the full 2017/18 season at Myreside. Full business club and hospitality facilities will be provided for Business Club members and there will be plenty opportunities to see these facilities ahead of the new season.

Through the Edinburgh Rugby Business Club, members benefit through regular opportunities to network and build relationships with like-minded, senior business people across the city at each home fixture.

You will have access to Edinburgh Rugby's Guinness Pro12 league and European home pool fixtures, where you can entertain corporate guests, reward staff or enjoy the rugby with friends and family.

We also host events outside match days to encourage networking within our membership and give guests an insight into the behind the scenes workings of a professional sporting organisation. Events may include; an opportunity to meet the coaches and players to discuss their aims for the forthcoming season, an evening with our Scotland players ahead of RBS 6 Nations and opportunities to put your golf skills up against the professional athletes.
